

CENTRE CAPTAIN APPLICATION

Are you interested in becoming a Centre Captain for ND Lac, or know someone who should be nominated?

Athletes in Under 15 and 17 age groups are invited to nominate for Centre Captain positions. Centre Captains serve an important role as representatives of our Centre and of the athlete group, acting as role models for our younger athletes and contributing to the ongoing success and improvement of ND Lac!

Key Duties include:

- Lead by example and encourage other athletes to do their best – at weekly meets and Championships
- Assist with pre-competition warm-up activities each week at Foxglove
- Be approachable for other athletes to raise issues and suggestions about any matter to further improve the running of our Centre. Where necessary, discuss with the other Captain and share feedback and ideas with Committee
- Assist with fundraising events at the Centre; eg Pinkletics, Crazy Hair & Sock Day
- Help with the presentation of awards; eg Pentathlon, Multi-Event and other awards during the season and at our Annual Awards Presentation Event

If you are interested in nominating for this position, please complete this application and return, either by scanning and emailing to president@ndlac.org.au or handing it to the President at Foxglove. If you wish to nominate someone for the position, please have them sign the Application form, acknowledging their nomination.
